# COUPON PROGRAM

Pre-purchased coupons are an easy and convenient way to order directory strips, nameplates and badges and avoid minimum charges.

- Order as few or as many coupons as you like. You will be billed for the coupons you order. Each coupon is specific to, and redeemable for (1) item (directory strip, nameplate, or badge). You pay only for freight.
- Use the coupons by sticking them onto your purchase order, and mailing the purchase order to Green Mountain Graphics. We must receive the actual coupon for your orders...photocopies and faxes are not accepted.
- There is no minimum order when you use coupons. Orders without coupons must meet a minimum billing charge of \$25 net merchandise.
- Coupons are sold at the price of the actual item, not including shipping via UPS. Shipping charges will be billed separately.

## Special Bonus for Coupon Customers!

Order **25** coupons and you will receive **26** at no additional charge.
